

Aurvista Gold Appoints Keith C. Minty as Chief Operating Officer

Montreal, Quebec: Aurvista Gold Corporation (“**Aurvista**” or the “**Company**”) (**TSX-V: AVA, OTC: ARVSF; Frankfurt: AV2**) is pleased to announce the appointment of Mr. Keith C. Minty, P. Eng, MBA to the position of Chief Operating Officer. Mr. Minty is a well-seasoned mining engineer with over 30 years of international and domestic mine development and operating experience.

Mr. Jean Lafleur, President and CEO of Aurvista stated *“I had the pleasure of working with Keith back in the early 2000’s and know of his extensive experience in project development to develop projects from exploration through to production as a successful mine builder. He has built in excess of five mining operations worldwide and his project development experience will be an excellent asset to the company in the development of the Douay Gold Project.”*

Mr. Lafleur added *“based in Aurvista’s Toronto office, Keith will manage the Company operations, allowing me to be more focused on extracting exploration value of the Douay Gold Project by advancing exploration programs and developing the potential of a larger and higher quality mineral resources in the near term.”*

Mr. Gerald McCarvill, Chairman of the Board of Directors of Aurvista, also stated *“The Board of Directors welcomes Keith Minty as an executive member of the Aurvista Team. I truly believe Keith will be a major driving force as he teams up with Mr. Lafleur, to efficiently develop our wholly owned Douay Gold Project into a premier gold deposit in the Abitibi Belt. Keith has done this before in his career by building numerous mines and raising over C\$1 billion to finance these projects worldwide.”*

As President and CEO of North American Palladium Ltd. from 1997 to 2003, Keith restructured the only North American platinum group metal project as a start-up with a C\$350 million initial public offering. He developed North American Palladium as the world’s fifth largest platinum group metal producer at the lowest operating cost with the highest productivity resulting in a very financially successful company.

As Chief Operating Officer of Thani Investments based in Dubai (U.A.E.) from 2008 to 2013, he re-structured the mineral resource division through acquisitions and project development into a successful \$10 billion Middle East and Northern Africa private resource company. Mr. Minty has held project construction, operating and management positions at Viceroy Resources Ltd. Brewery Creek Project, Hunter Bay Mineral Plc, London, and as Hunter Dickinson Inc., South African Country Manager,

Mr. Minty has been granted an aggregate of 400,000 stock options to purchase common shares of the Company exercisable at a price of \$0.24 per share for a period of 5 years. The stock options will be subject to a vesting schedule with ¼ to vest immediately and ¼ to vest on each anniversary of the grant date until the options are fully vested. These incentive options, as well as the terms and conditions of their exercise, are governed by the Company’s Stock Option Plan which is in accordance with policies within the TSX Venture Exchange.
